

ICCAEE 2023

2023 International Conference on Civil,
Architectural and Environmental Engineering

September 22-24, 2023 | Shanghai, China

Overview

2023 International Conference on Civil, Architectural and Environmental Engineering (ICCAEE 2023) aims to bring together scholars, managers, researchers and students of Civil, Architectural and Environmental Engineering related areas and industries for intellectual exchanges, research cooperation, education and professional development. ICCAEE 2023 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in Civil, Architectural and Environmental Engineering and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in Shanghai, China on September 22-24, 2023.

Topics of interest include, but are not limited to:

- Bridge Engineering
- Coastal Engineering
- Ecological Architecture
- Computational Mechanics
- Green Building Materials
- Environmental Engineering
- Clean Production Process
- Transportation Engineering
- Noise and Vibration Control
- Building Technology Science
- Construction Technology
- Landscape Planning and Design
- Traditional Construction Materials
- Disaster Prevention and Mitigation
- Civil and Architectural Engineering
- Underground Facilities
- Water Supply
- Pollution Control Projects

Registration

Student

500 USD

Nonmember

550 USD

Full Paper Submission: June 30, 2023

Online submission:

Previous Speakers

Youfu Li

IEEE Fellow, IET Fellow

University of Brest, France

Title: **Fault-Tolerant Control: A Key Enabler in Improving
Tidal Stream Turbines Resilience**

Zaili Yang

Liverpool John Moores University, UK

标题: **Climate Mitigation and Adaptation in Transportation**

Advisory Committee

Gordon Huang

University of Regina, Canada

Solomon W. Leung

Idaho State University, USA

Conference Chairs

Eryu Zhu

Beijing Jiaotong University, China

Feng Guo

Central South University, China

Conference Co-Chairs

Junwen Zhang

China University of Mining &
Technology, China

Mohamed Hasnain Isa

Universiti Teknologi Brunei, Brunei

Program Chairs

Zhixin Qi

Dalian Maritime University, China

Zhijian Zhang

ZheJiang University, China

Stefano Mariani

Politecnico di Milano, Italy

Program Committee

Kong Fah TEE—University of Greenwich, UK

Saeed Eftekhari Azam—University of Nebraska, USA

Osman Adiguzel—Firat University, Turkey

Mohd Ramzi Bin Mohd Hussain—International Islamic
University Malaysia, Malaysia

Mohammad Arif Kamal—Aligarh Muslim University, India

Publication

All accepted and presented papers will be published in digital conference proceeding, which will send to be reviewed and indexed by major citation databases such as EI Compendex, Scopus, CPCI, Google Scholar etc. Selected papers will be considered for submission in journal after significant extension.
